Mrs. C. E. Esterly,
Watkins Hall,
Lawrence, Kansas.

Dear Mrs. Esterly:

I am returning herewith your second check to the Community Chest Drive representing contributions by students to the fund. I am sure that you will understand why we do not wish to solicit or accept funds from students, and I trust you will explain to the girls how very grateful we are for their generous thoughtfulness. And too, we want to thank you for your splendid cooperation.

With best wishes, I am

Sincerely yours,

Chairman, University Committee,
Lawrence Community Chest Drive.
