

WATKINS HALL
ON LILAC LANE
LAWRENCE, KANSAS

October 24, 1941.

Dear Doctor Allen:-

This is merely a postscript to my note of this morning to let you know that when the girls in Watkins Hall learned how the collection had failed here, they came to the rescue so promptly that I have two more dollars to add to our contribution and am enclosing it herewith.

Yours very truly,

Miss C. E. Estenly
