Chancellor Deane W. Malott,
University of Kansas.

Dear Chancellor Malott:

I am sending you, confidentially, a report of the larger donations to the Lawrence Community Chest Drive by the faculty members, and I am also sending you a list of those who have either failed or refused to contribute to the drive.

You will understand that we have put no pressure on anyone, leaving it entirely up to them to give. At the same time, I thought perhaps you might like to have this personal information. It might enable you to "sic" somebody else on those who have given less in this campaign for some of the multitudinous worthwhile projects that are constantly being presented to the University faculty.

Very sincerely yours,

Chairman, University Committee,
Lawrence Community Chest Drive.
