

November 10, 1941.

Chancellor Deane W. Malott,
University of Kansas.

Dear Chancellor Malott:

In our conversation one Sunday as we drove along it was your opinion that everybody should be given a chance to give to the Community Chest.

I am sending to you confidentially additional names of persons who for various reasons have not availed themselves of this opportunity.

J. D. Stranathan
H. C. Tracy
L. D. Havenhill
R. G. Mahieu

It is pleasing to me to note that employees in the Department of Buildings and Grounds have responded so cheerfully to the drive here on the Hill. They have contributed such amounts as 15¢, 25¢, 50¢, and a few, \$1.00.

On the whole, however, we have been highly gratified with the response of the faculty and employees of the University in the Community Chest drive. We have far exceeded our quota.

Very sincerely yours,

Chairman, University Committee,
Lawrence Community Chest Drive.
