Mr. Walter A. Schaal
Campaign Chairman
Lawrence Community Chest
Lawrence, Kansas

Dear Mr. Schaal:

Thank you very much for your very good letter
as of the 15th instant.

I was happy to contribute what small effort
I gave for such a worthy cause. I am very happy that
the Drive went over the top.

Money is still coming in; just Saturday morning
I received a check from Miss Minnie Moody for \$10.00, so
you see a worthwhile thing always draws the serious
attention of people who appreciate fundamental values
and worths.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
