

that Chancellor Malott had approved the Community Chest Drive here on the Hill. The letter then stated, "The Chairman is asking one of the following group of faculty members to call upon you in your building in an effort to make your solicitation somewhat easier and more efficient." A list of the solicitors followed. The letter was ended with: "In the name of some of those less fortunate than we, I am, Sincerely yours, Forrest C. Allen, Chairman, University Committee."

This letter was delivered to the University postoffice the night before the drive started so that it would get into the 8:00 A.M. mail. It was planned that this letter would be opened by the faculty members and the employees at the eleventh hour prior to the workers presenting their pledge cards on the opening day of the drive.

We then personally contacted every solicitor over the telephone, pointing out the necessity of getting on the job and staying with it until we had gone over the top, if possible, the first day. I am now listing the names of the workers together with the amount of the donations that they turned in at the office of the Physical Education Department, which was our headquarters for the drive.
