

The Senate Com. on Athletics has not been extremely active since the formation of the U of Ks P Corp. in 1923. However it seems entirely logical that intra-mural athletics should come under the scope of the powers of the Senate Com. on Athletics.

The Charter of the Univ of Ks. P. E. S. states that when the stadium is paid for the earnings of the Corporation shall go toward play utilities for the students of the U of Kansas.

The total cost of the stadium to date is \$660,000 and there is a debt of \$150,000 remaining in the form of debenture bonds bearing an interest rate of 5 1/2%.

An annual principal payment of \$12,500 plus this year's interest amounting to \$8250.00 is due semi-annually on June and Dec 1st.

If the present schedule is maintained the stadium will be free of debt Dec 1st 1936.

Several years ago Dean Geo. Shast then fac. rep. rep Kansas proposed that the hours for electivity be reduced to 20 hrs of C work instead of the then 30 hrs for engineering.

This was voted down - Three years ago the Eng. req. was reduced to 28 hrs but no higher standard of grades were proposed.

It seems entirely fitting that an investigation into the normal amount of work successfully carried
