## COLLEGE OF LIBERAL ARTS AND SCIENCES

To..... Dr. F. C. Allen.....

.....

The following students who should be taking Physical Conditioning failed to enroll in it for this term. They have been called to this office and enrolled at the time shown.

Mardikes, Michael	3:30 MWF	✓
Stites, John	3:30 MWF	✓

The following student was exempted from Conditioning because of a physical defect but he has now asked to be permitted to enroll in it. We have a note from Dr. Canuteson recommending that his request be granted, although stating that there will be some activities in which he cannot engage.

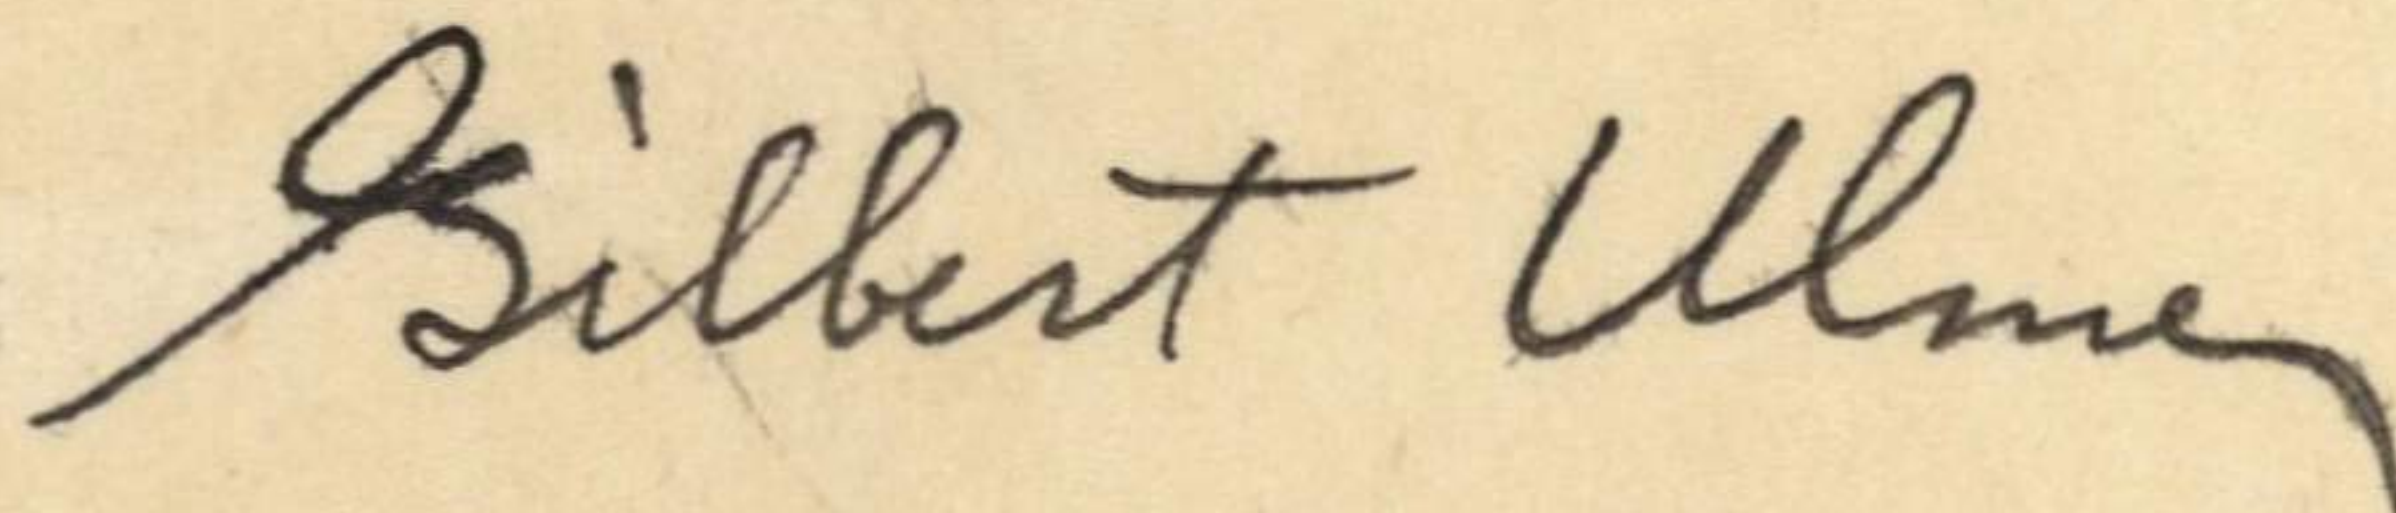

Arnspiger, Larry	3:30 MWF	✓
------------------	----------	---

The following student, exempted because he is a veteran, is being enrolled for Conditioning:

Lindly, Robert Fields	10:30 MWF
-----------------------	-----------

All of these students are being enrolled for one hour of credit and regular class cards are being sent to you. These men should be required to make up at least a part of the time they have missed.

Sincerely yours,

GILBERT ULMER, *Assistant Dean*
