Dear Dr. Allen:

In view of the fact that it was not possible for you last winter to prepare an article for THE ALLIED YOUTH, I am exceedingly hopeful that sometime during the summer you will find it possible to do so, so that we can have it available when the basketball season begins. The article should be approximately 1,000 words.

It is our hope that we shall hear favorably from you with regard to this matter.

Very kindest regards and sincere thanks for your vital interest.

Sincerely yours,

W. Roy Breg
Executive Secretary
