OFFICE OF THE DEAN

Doctor F. C. Allen
Department of Physical Education

Dear Doctor Allen:

We are sending you here a list of the College students who are on probation this semester. One of our College regulations prescribes that no student on probation may engage in extra-curricular activities of any sort except intramural athletics; and we hope that you will not allow anyone named on this list to become a member of either a major or a minor sports team this semester.

Very truly yours,

Gilbert Ulmer,
Assistant Dean
