

February 13, 1942.

Dean Paul B. Lawson,  
College of Liberal Arts and Sciences,  
University of Kansas.

Dear Dean Lawson:

This will acknowledge receipt of your favor of the 10th instant.

When your communication arrived I thought it best that each one of the teachers concerned should have a copy of your letter and study it. Therefore, I sent to them a copy. Mr. Shank is in Pittsburg, Kansas, this week attending a meeting, so it is not possible to get his reaction.

However, I do have a reply from Dr. Elbel, Miss Hoover and Miss Stapleton, and I am enclosing their replies to you so that you may see that they sincerely feel this fault is not with them or with the department.

If you feel that a conference is helpful we will be very glad to have such a conference. Otherwise we will follow your orders as we have always endeavored to do.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
