Dean Paul B. Lawson,  
College of Liberal Arts and Sciences,  
University of Kansas.

Dear Dean Lawson:

After checking with Mr. Shenk on the enrollment of Francis Laird in the 3:30 conditioning class last semester, we feel that he should be given a grade of "F", since he did not attend class after his operation for which he was given a two-months excuse.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
