Mr. Gilbert Ulmer  
Assistant Dean of the College  
University of Kansas  
Lawrence, Kansas

Dear Mr. Ulmer,

John Asher is not physically sick. He wants very much to go into the navy but has been urged to stay in school. As a result he is in a constant state of instability.

He has not attended physical conditioning regularly but has played golf frequently which probably substitutes sufficiently.

I cannot recommend formal excuse from physical conditioning but I feel that there are extenuating circumstances and the boy should be given every possible consideration.

Sincerely,

Ralph I. Canuteson, M.D.  
Director
