Dean Paul B. Lawson,
College of Liberal Arts and Sciences.

Dear Dean Lawson:

I am in receipt of your letter of the 22nd instant, and beg to state the following:

The name of Robert Martindell does not appear on any of our records for the spring semester. We had no class card for him, and therefore could not put him on our roll. As you know, our class rolls are made from the class cards that come to us after enrollment. This is the only way we know that a student is enrolled in Physical Conditioning.

We have also carefully checked all of the individual class rolls kept by our instructors to see if his name might have been written in by an instructor, but such was not the case.

The case of George R. Ware is the same as that of Robert Martindell. Undoubtedly neither of these boys attended a physical conditioning class, and should be given a failure.

Our records show that William Beal Shaw received a grade of "A" for the spring semester. He was enrolled for one hour credit at 10:30 on Monday, Wednesday, Friday. We do not have a withdrawal for him.

If you have any suggestions as to how we may be sure that all class cards reach us, I shall be happy to have them.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
