

December 1, 1939.

Mr. Roger Brice,
Norton Apartments,
Salina, Kansas.

Dear Roger:

Will you kindly sign the enclosed voucher sheets (3 of them) and return them so that we may put your name on the December payroll? You worked a few hours after the October payroll went in for which you have never been paid. I would like to get this matter taken care of this month, and will appreciate it if you will return the signed sheets at once.

I was quite surprised and disappointed to know that you had withdrawn from school. I did not learn of it until a week or so ago, and had been piling up work for you to do. I kept thinking that after mid-semester examinations were over you would be in the office. Finally I called the Education Office to see if they knew anything of your whereabouts and Miss Rich told me you had withdrawn.

I trust that things are going nicely with you and that you will be able to come back to school next year.

Sincerely yours,

Secretary to Dr. F. C. Allen.
