

November 23, 1939.

Professor E. C. Buehler,  
University of Kansas.

Dear Friend Buehler:

The buck enclosed will keep me from entirely  
"passing the buck."

You know there are so many calls from the  
Y.M.C.A., Red Cross, Salvation Army -- all very worthy  
things that you hardly know where to stop. I gave the  
Y.M.C.A. \$5.00, and I am not so sure but what the Red  
Cross would perhaps have benefited more bountifully  
had I given it to them. However, I did read a few years  
ago of the extremely high salaries paid to the officials  
and I am not so sure but what there is still some sludge  
messed up in this thing.

At any rate, a dollar can't hurt anybody, but  
\$5.00 might. I never pass up these very worthy enter-  
prises and I assure you that anything you have to do  
with will not be passed up if I still have the buck to  
keep from "passing the buck".

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
