Ceavenworth Senior High School D. R. YOUNG, PRINCIPAL Ceavenworth, Kansas

Dr. F. C. Allen, Coach of Basketball, Kansas University, Lawrence, Kansas.

October 28, 1941

Dear Dr. Allen:

I have given some thought to the idea of having our High School Basketball Clinic for the Coaches and players in this section of the state on November 21 and November 22. There, no doubt, will be many Coaches and players attending the football game between Missouri and Kansas on November 21.

We would appreciate it if it were possible for the coaches and players attend the Freshman-Varsity basketball game the evening of November 21; then on the morning of Saturday, November 22, we could work out a program where your boys and you could demonstrate fundamentals, and answer any questions the players and Coaches have to ask.

I will make a special trip to see you so that we might work out some scheduled program and also begin sending out publicity.

Sincerely yours,

W. A. Forsberg

Coach of Athletics

Leavenworth High School.

Mr. W. A. Foresberg Athletic Director Leavenworth High School Leavenworth, Kansas

Dear Wally,

I acknowledge receipt of your communication of the 21st instant.

Last night a thought came to me that might be a possibility. After the Homecoming parade and demonstration which will take place on Friday evening, November 21, we have planned a basketball game between the Varsity and the freshmen in the new auditorium. The time would be about 9:15 p.m. We're not planning to make a charge, but the game will be a good one. Why would it not be a good scheme for the K.S.H.S.C.A. to use this date; Saturday morning then, we could use for demonstrations. The only catch would be that your organization might have some high school games for Friday night the 21st which would keep some of the coaches from seeing the game. However, in this case doubtless I could arrange a game for Thursday night or afternoon and in this way make both the demonstration game and the clinic Saturday morning. The weather at this time of the year is generally so inclimate that night games are almost out of the question.

I note that you will be in Saturday morning, October 25. I have a Budget Committee meeting at 10:00 o'clock in the morning in the Chancellor's office, but should get through a little before 12 o'clock. If you will come to my office in the gymnasium, Miss Gowans, my secretary, will know just about the time I'll be free so that I can see you.

Thank this thing over, I believe we have something that will prove interesting. This Varsity-Freshmen game is a real fight and you'll see some good basketball played. Then, Saturday morning we can go through the coaching fundamentals or anything that your organization would like to have. We pledge you our full cooperation.

Sincerely,

Kansas State High School Coaches Association

Dr. F. C. Allen

Basketball Coach

Kansas University

Lawerance, Kansas

Dear Dr. Allen,

I regret that we cannot get together for our basketball clinic on December 5th and sixth or December 12th and 13th; however there may be some other possibility.

The N. E. K. L. meeting will be held at Lawrence Saturday morning October 25. I will call you Saturday morning in Lawrence. We could talk things over and perhaps reach some satisfactory time.

Sincerely yours,

W. A. Folkberg

Mr. W. A. Foresburg
Athletic Director Leavenworth High School
Leavenworth, Kansas

Dear Wally,

I regret to tell you that on the first week-end in Decemberthe 5th and 6th, the Big Six coaches are meeting in Kansas
City to schedule their 1942-43 basketball games. On the next
week-end-the 12th and 13th, the School of Fine Arts will have
exclusive use of the auditorium. Their annual Christmas
vespers will be held Sunday the 14th, and three days before this
event they have full use of the building. I regret extremely
that such is the condition. Of course we have no games scheduled
and I do not know how we can arrange a clinic under these conditions.

It may be that we could meet a Service team during the Christmas vacation, but I doubt whether the coaches would be interested. Do you have any suggestions?

Sincerely,

Director of Physical Education and Recreation Varsity Basketball and Baseball Coach

October 12, 1941

Dr. F. C. Allen

Head Basketball Coach

Kansas University.

Dear Dr. Allen,

The State High School Coaches' Association have appointed me to supervise the basketball clinic which will be held in various cities throughout the state.

The most satisfactory time for these clinics will be the first or second Saturday in December.

I wonder if it will be possible for you and your boys to conduct the clinic for the coaches and high school players in this section of the state. There will be five other clinics throughout the state.

I think it would be nice for every one concerned if the clinic could be the same day that a college basketball game was being played. In this way the boys could attend the game that evening. Any suggestion would be appreciated.

With kindest personal regards,

Sincerely,

W. A. Foreberg

Leavenworth High School.

Elmer A. Linscheid Partridge, Kansas

Dear Sir:

Your communication of the 19th instant received. Doubtless you desire to inquire regarding the Kansas Coaching School which is under the direction of Mr. A. H. Thomas, State High School Activity Association, Topeka, Kansas. I am sending carbon copy of this letter to him so that he may wrate you.

I do not have a coaching school in Kansas but we do have one in Iowa and I'm sending you a folder of the Iowa High School Athletic Association's Coaching School and Officials' Cline to be held at Boone, Iowa from August 18th to 21st, inclusively.

In this way you can make your own choice.

Sincerely yours,

Director of Physical Education and Recreation-Varsity Bakketball and Baseball Coach.

Mr. Frank E. Strickler, Principal, Lane Community High School, Dighton, Kansas.

Dear Mr. Strickler:

I beg to acknowledge receipt of your very kind favor of the 22nd instant. I deeply appreciate your invitation to conduct a clinic at Dighton, but I am not sure of my dates at the present time.

I am planning tentatively to be at Dodge City on December 11 and 12, and on December 18th we are playing a game with Bethel College at Newbon, Kansas, dedicating their fine new fieldhouse. It would be a near impossibility to take the boys away from school for a clinic. I have never done that, except during vacation time, because the boys are here primarily for study, and it is suicidal to take them away from school any more than is absolutely necessary.

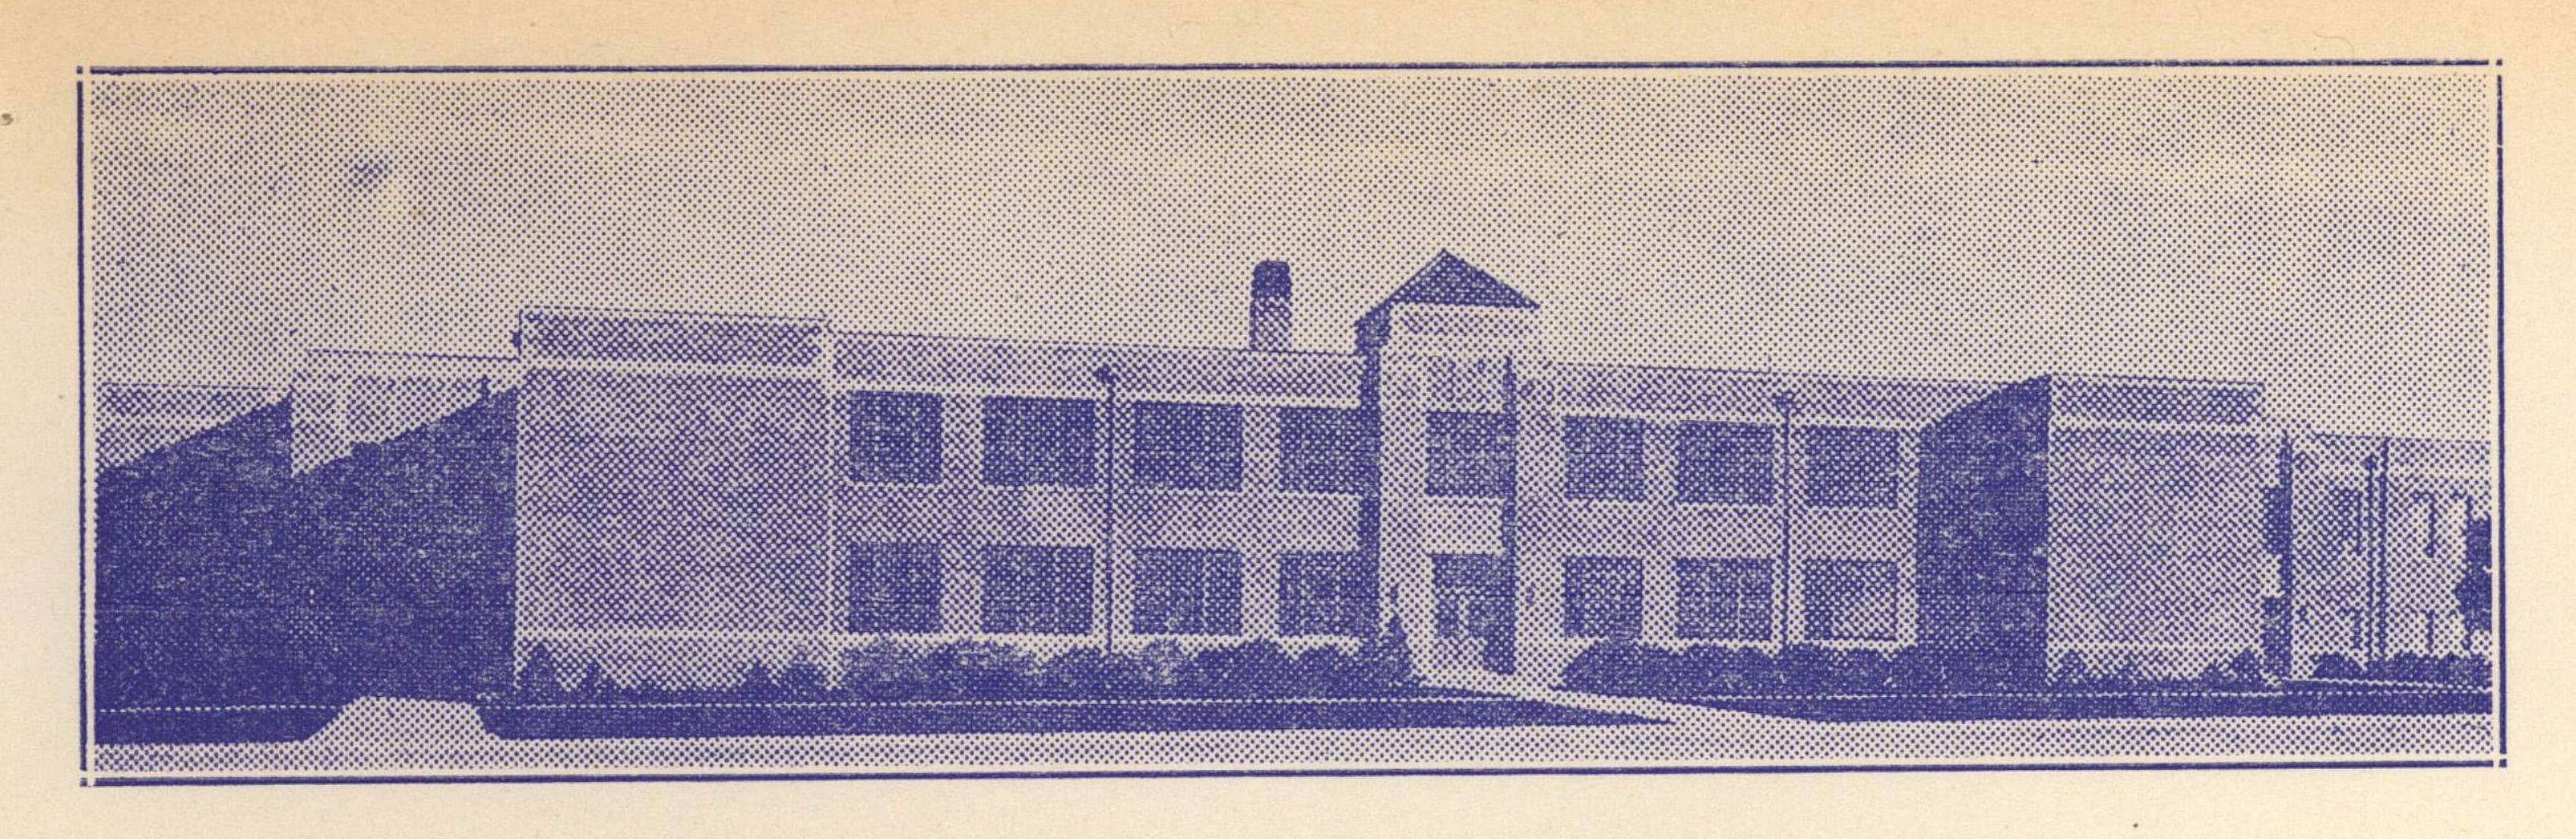

We are also playing at Wichita on February 2nd, and I am wondering if you would care to bring your boys to observe either our game at Wichita or at Newton.

I have written Principal Toalson to determine definitely the dates for his clinic. I shall be glad to write you further after I hear from him.

Very sincerely yours,

Director of Physical Education and Recreation, Varsity Basketball and Baseball Coach.

September 22, 1941

Mr. Forrest C. Allen Director of Physical Education Kansas University Lawrence, Kansas

Dear Mr. Allen:

We are interested in conducting a Basketball Clinic this year that will be similar to the one held at Dodge City last year.

Through conversation with Mr. Lawrence Stanton, Basketball Coach at Dodge Lity we learn that you may be the instructor for the 1941-42 clinic at Dodge Lity.

What would be your charges to conduct one here at Dighton for the W.K.E.A League, if we could have our clinic at a date that could permit you to conduct the two clinics on the same trip? Will you bring your players so that we could have a demonstration from them and also an exhibition game the night of the one day clinic? If this were possible we could be able to attract about tem teams for the clinic, consisting of eight teams within the league and two teams outside. Hosington and Wakley would be willing to participate I am sure. We could also attract a large crowd to the exhibition game at night. In my opinion this would be a nice way of advertising Kansas University's athletic department to future prospective students found in this section of the state.

Our playing facilities are very good, consisting of a floor space of fifty by seventy five feet, very high ceiling, four modern dressing rooms with an adjoining building that could be used as a dressing room if necessary, and we have the new type goals.

Please send us all information as to price and time if you are able and would like to conduct our clinic, Thank you,

Respectfully
Frank E. Strickler

concerning THE THIRD ANTUAL BASKETBALL CLIMIC Dec. 10-11 with 'Phog! Allen and Varsity Players as Clinicians.

Mame of the school

Mame of the Coach

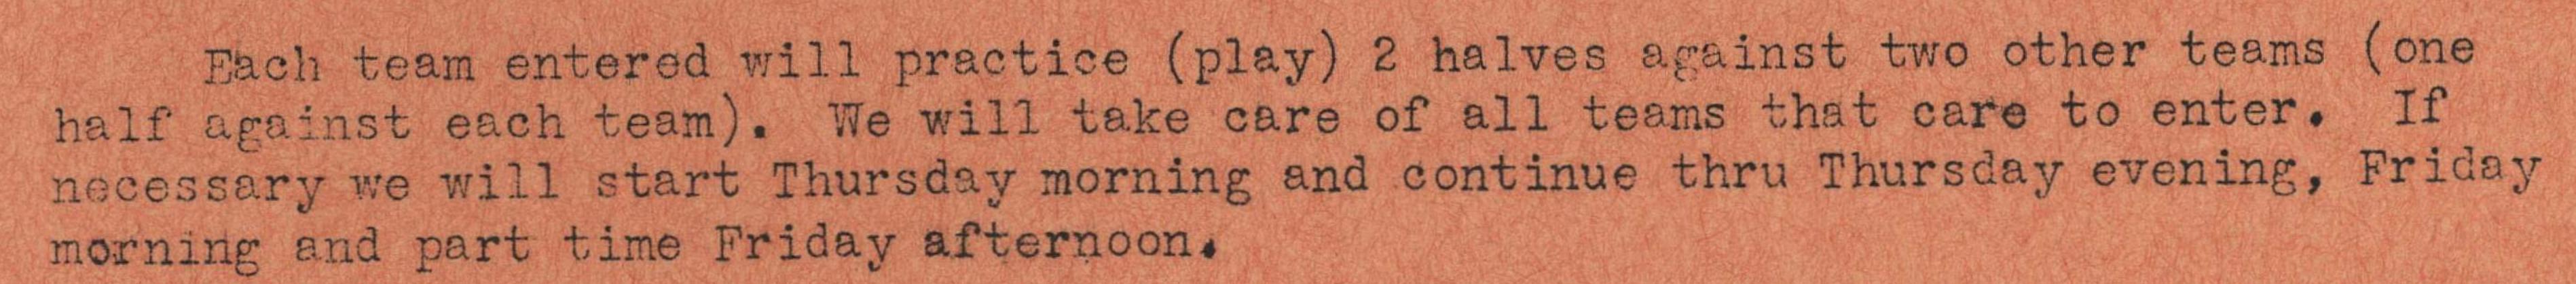

320-AMM11/At. BASKETBALL CLINIC

DODGE CITY SENIOR HIGH SCHOOL December 11 & 12, 1941 Thursday & Friday

Head Clinician--F.C. "Phog" Allen University of Kansas

AND -- A carload of K.U. Varsity Players here to help "Phog" with a demonstration Friday afternoon and to put on a Demonstration Friday evening.

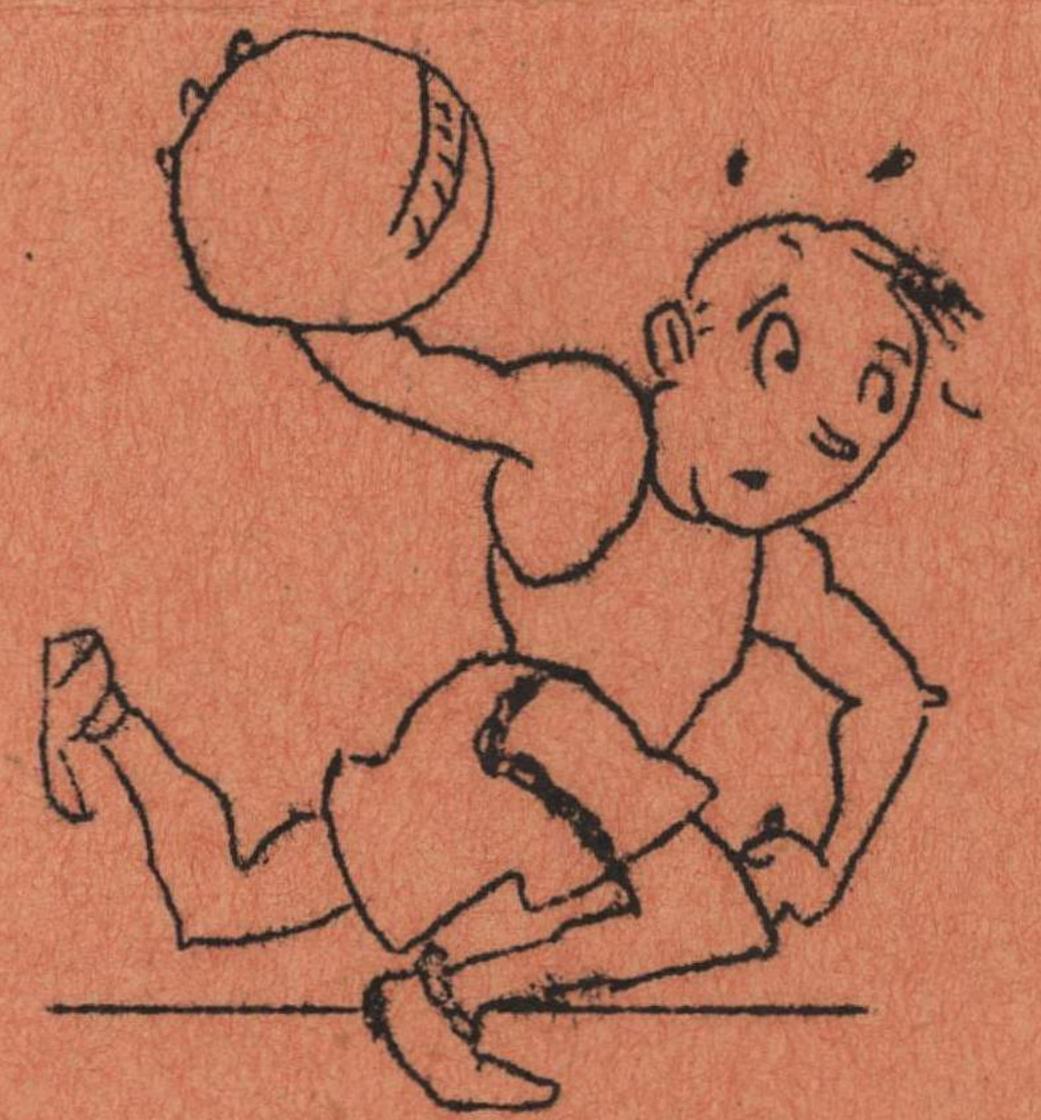

Our Plan--

Friday afternoon "Phog" Allen and his Varsity boys in special demonstration.

During the time that each coaches team is playing, he will sit with "Phog" Allen and "Phog" will discuss the type of play, the players and answer any questions that he (the coach) might want to ask. It is thought that this direct contact with "Phog" while the coaches team is playing will be more valuable than any other method so far used.

Those officials who wish to volunteer their services are asked to get in touch with Mr. Doral Grose of the Principals office. We plan to have a board of critics (constructive this time) who will take full notes and talk with officials in a group and singly if desired after the sessions.

The Program

Thursday -- Starting as early as necessary -- Games (Morning-afternoon-evening)

Friday -- Morning --

Games

Friday -- Noon --

Luncheon

Friday -- Afternoon -- 1:30 to 3:30 --

Games

3:30 -- Demonstration and Clinic "Phog" F. C. Allen and K.U.

Varsity Players

After Clinic -- Open - Mouse and .

Friday Evening -- 8:00 -- Dodge City Senior High vs Emporia High School with Special talk and demonstration at half -- F. C. Allen and Varsity Players

For you to do

Return the enclosed card at once if you want to enter this Clinic. Entries will not be recented after Docember 5, 1941.

If you want to attend the luncheon Friday afternoon, let us know as soon as possible.

We will arrange teams in order of their entry and according to the distance they have to come.

Write and ask us any questions you might have.

Advantages

- 1. Expert help to coaches and players under actual competetion and against two
- different teams. 2. Visiting players and coaches will be able to observe many of the leading teams of this section in actual play.
- 3. Much benefit for players in observing the Varsity players and Phog Allen in Demonstration.
- 4. Good chance to get acquainted with other players and coaches.
- Free admission to all sessions including the Dodge-Emporia game Friday nite.
