

LANE COMMUNITY HIGH SCHOOL

FRANK E. STRICKLER, Principal

Dighton, Kansas

September 22, 1941

Mr. Forrest C. Allen
Director of Physical Education
Kansas University
Lawrence, Kansas

Dear Mr. Allen:

We are interested in conducting a Basketball Clinic this year that will be similar to the one held at Dodge City last year.

Through conversation with Mr. Lawrence Stanton, Basketball Coach at Dodge City we learn that you may be the instructor for the 1941-42 clinic at Dodge City.

What would be your charges to conduct one here at Dighton for the W.K.E.A League, if we could have our clinic at a date that could permit you to conduct the two clinics on the same trip? Will you bring your players so that we could have a demonstration from them and also an exhibition game the night of the one day clinic? If this were possible we could be able to attract about ten teams for the clinic, consisting of eight teams within the league and two teams outside. Hosington and Oakley would be willing to participate I am sure. We could also attract a large crowd to the exhibition game at night. In my opinion this would be a nice way of advertising Kansas University's athletic department to future prospective students found in this section of the state.

Our playing facilities are very good, consisting of a floor space of fifty by seventy five feet, very high ceiling, four modern dressing rooms with an adjoining building that could be used as a dressing room if necessary, and we have the new type goals.

Please send us all information as to price and time if you are able and would like to conduct our clinic, Thank you,

Respectfully

Frank E. Strickler

F. E. Strickler

FES/he

*P.S. Possibility of 6 to 8 more teams
to Participate if time permits.*

H. E. Ewing, Coach
