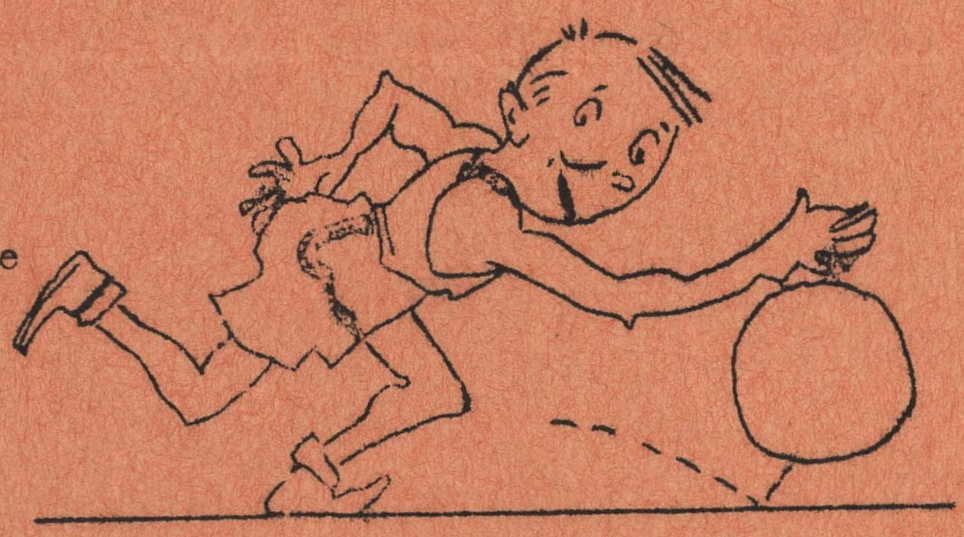
3RD ANNUAL BASKETBALL CLINIC

DODGE CITY SENIOR HIGH SCHOOL
December 11 & 12, 1941
Thursday & Friday

Head Clinician--F.C. "Phog" Allen
University of Kansas

AND -- A carload of K.U. Varsity Players here to help "Phog" with a demonstration Friday afternoon and to put on a Demonstration Friday evening.



Our Plan--

Each team entered will practice (play) 2 halves against two other teams (one half against each team). We will take care of all teams that care to enter. If necessary we will start Thursday morning and continue thru Thursday evening, Friday morning and part time Friday afternoon.

Friday afternoon "Phog" Allen and his Varsity boys in special demonstration.

During the time that each coaches team is playing, he will sit with "Phog" Allen and "Phog" will discuss the type of play, the players and answer any questions that he (the coach) might want to ask. It is thought that this direct contact with "Phog" while the coaches team is playing will be more valuable than any other method so far used.

Those officials who wish to volunteer their services are asked to get in touch with Mr. Doral Grose of the Principals office. We plan to have a board of critics (constructive this time) who will take full notes and talk with officials in a group and singly if desired after the sessions.
