Young Man Are You Going To Play Basket Ball This Season?

IF SO—ANSWER FOUR QUESTIONS

1. **Are you going to play in just any kind of a gym?**
2. **Will you have good locker room facilities?**
3. **Will you have a shower available after the game?**
4. **Will you have ample lobby space while waiting game time?**

If you have not been having these facilities which go to make basketball playing more pleasant, why not join the Y.M.C.A. of Kansas City, Kansas, and headquarter at the "Y" this year?

AT THE Y.M.C.A.

You will have a good playing floor.

You will have good showers.

You can swim in the fine swimming pool.

You can play hand ball.

You have a massage department available.

You have a chance to build your body with the weights.

You will have a fine lobby in which to meet your friends, play checkers and chess and table tennis.

You will have a place to practice.

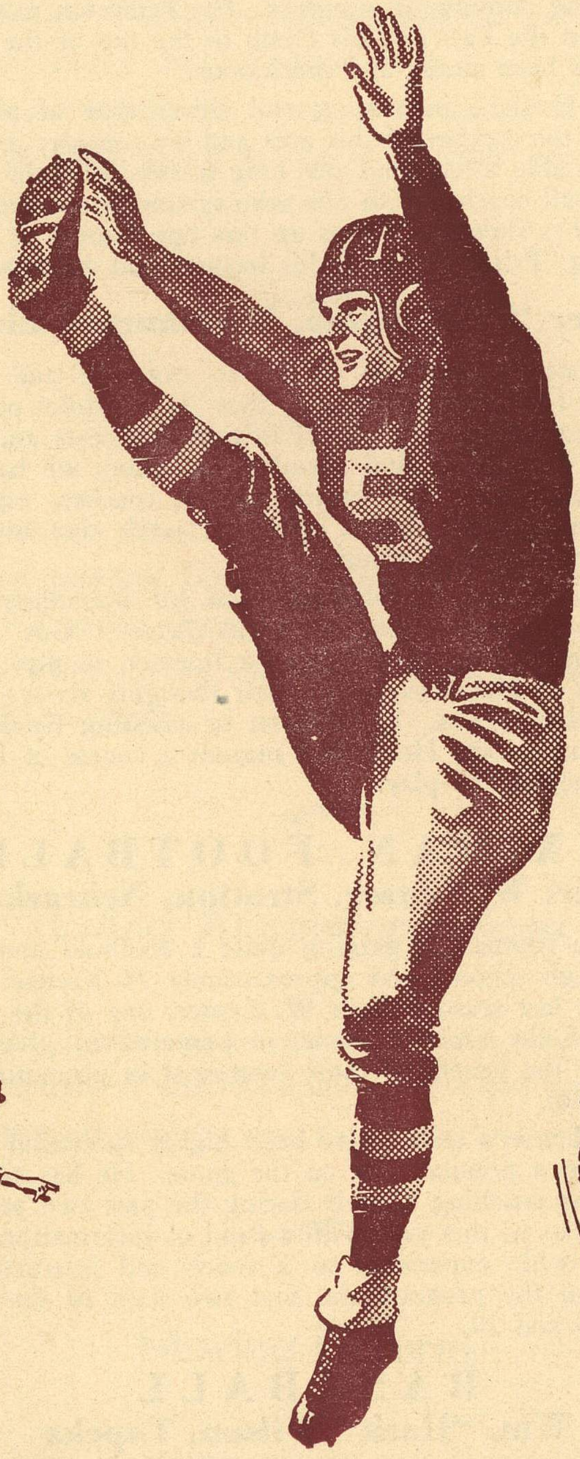
You will have a home court for your team.

WHY PUT UP WITH POOR PLAYING CONDITIONS?

When you can secure a basketball membership for 4 months for $5.00 (which is much less than the price you pay for your basketball outfit). For $10.00 cash you can secure a $15.00 senior membership for one year.

JOIN THE Y. M. C. A. NOW!

KANSAS COACHING SCHOOL



Topeka, Kansas August 19-24, 1940

E. A. Thomas, Director

Sponsored by

Kansas State High School Activities Association

FOOTBALL

H. O. "Fritz" Crisler
University of Michigan

In keeping with our custom and tradition of bringing to the Kansas Coaching School the country's recognized leaders in the field of athletic coaching, we present Coach "Fritz" Crisler of the University of Michigan as head of our football staff. Few men have attained the prominence in athletic circles that is enjoyed by Crisler. His collegiate playing and early coaching days were spent at Chicago University under the direction of Alonzo A. Stagg. He served as Director of Athletics and Head Football Coach at Minnesota and Princeton and two years ago took over football at Michigan where he is already busy turning out a team of great players that is attracting nationwide attention. His Princeton teams were the best in the East and his climb to the top of the athletic ladder has been steady and continuous.

Coach Crisler's interesting and clever type of play will appeal to the coaches of this area and we consider it a privilege to be able to continue our long succession of the nation's best football coaches with one who is among the greatest of all. Coaches should not pass up this opportunity of hearing and seeing "Fritz" Crisler in his lectures and demonstrations.

Elmer "Gus" Holm, Washburn College

Few coaches have the ability to organize and present courses in fundamental line play that "Gus" Holm possesses. He has appeared at our school in previous years and is one of the most valuable and popular instructors we have ever had. High school and junior college coaches, especially, have been so well pleased with his work that they have asked us to have him repeat.

Holm is a fine demonstrator and his boundless energy appeals to the student coaches in his classes. "Gus" will be remembered as one of the greatest linemen to play for the University of Nebraska where their thoughts always turn to great football teams. In addition to assisting Crisler with his demonstrations, Holm will present a course of his own in fundamental line play.

SIX-MAN FOOTBALL

Kurt W. Lenser, Stratton, Nebraska

Six-man football is gaining quite a foothold among the smaller high schools and approximately 75 Kansas schools had teams last season. Kurt W. Lenser, one of the pioneer coaches of the six-man game, is prepared to give a fine course for the benefit of those interested in promoting it in their schools.

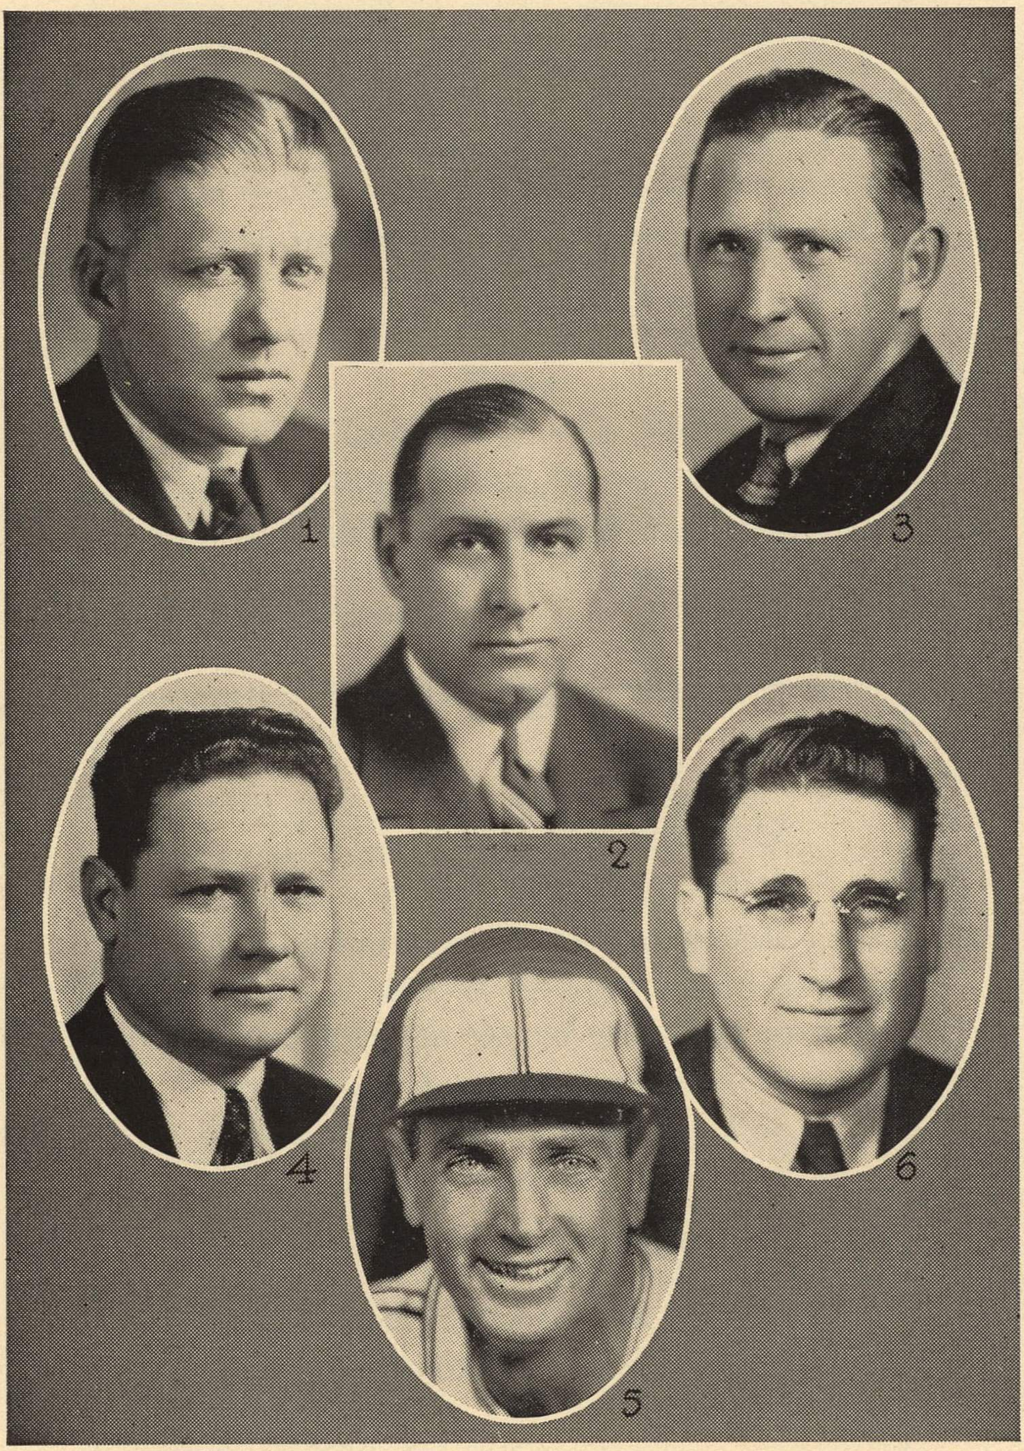
Coach Lenser's teams have been highly successful and he has written a popular text on the game. He has served in many other coaching schools during the past two years and will come to us this year with a fund of information gained from his wide experience as a coach and instructor. He will be on the program the first two days of the school, August 19 and 20.

BASEBALL

Wm. "Hack" Wilson, Topeka

"Hack" Wilson is the manager and catcher of the Topeka Owls, local Western Association baseball team. He handled baseball at the school last year and will repeat. His great fund of baseball knowledge makes him an ideal instructor in this sport. He knows how to deal with young players and high school or college coaches who desire to get some good pointers on how to coach this great American sport will be able to find no better instructor than "Hack" Wilson.

KANSAS
COACHING SCHOOL



Featuring All Major Sports

1. Henry Iba
2. H. O. "Fritz" Crisler
3. Dr. Forrest C. "Phog" Allen
4. Ward Haylett
5. Wm. "Hack" Wilson
6. Elmer "Gus" Holm

BASKETBALL

"Phog" Allen — Henry Iba

Dr. Forrest "Phog" Allen of the University of Kansas and Henry P. "Hank" Iba of Oklahoma A. & M. College represent the best in basketball coaching that the Middlewest has to present. Seldom do the students of one coaching school have the opportunity of attending the classes of two such prominent coaches of one sport.

Dr. Allen has been head basketball coach at K. U. for the past twenty years during which time a record has been compiled that cannot be equalled by any other school in this section. Dr. Allen was a fine player at K. U. more than 30 years ago and his record as a coach and expert in the field of athletic injuries, their care and treatment, is well known throughout the country. "Phog" is a veteran in the coaching field but is still in the front ranks. His lectures and demonstrations will be good because he puts everything he has into his courses.

Iba's record is not so long as that of Allen but it shines with the same degree of brilliance. As an athlete at Westminister College he won a dozen letters and as a coach at Classen High School, Oklahoma City, his teams attracted the attention of the entire Southwest. At Maryville Teachers College his teams were unequalled in college play and almost won the National A. A. U. championship against the finest teams in the nation. He served one year at Colorado University, transferring to Oklahoma A. & M. where he has been athletic director and basketball coach since 1935.

Both have been instructors in our school in past years. It is significant that their teams met in the final playoffs for the district N. C. A. A. championships this year and Dr. Allen's victorious team continued to the finals of the national N. C. A. A. championships against the great Indiana team. Allen will appear during the first of the week and will be followed by Iba. They both will participate in a clinic at the close of the school.

ATHLETIC INJURIES AND TRAINING METHODS

Dr. Allen will offer a course in The Care and Treatment of Athletic Injuries, in addition to his basketball course. This very important subject has been emphasized in our previous schools and we have presented some of the leading trainers of the entire United States. Dr. Allen's long experience and success in this field guarantees a continuation of the best to be offered in injury treatment.

TRACK AND FIELD

Ward Haylett, Kansas State College

Few coaches have achieved the success enjoyed by Ward Haylett, veteran Kansas State track and field mentor, in developing performers in this sport. In his years at Kansas State he has raised track and field sports from the bottom of conference standings to persistent contenders for championship honors.

Haylett is a hard worker and has something really worthwhile to offer for those who are interested in the proper scientific development of youngsters in track and field. His own success is indicative of what can be done without a group of "stars" through the medium of hard work and the sensible application of proper coaching and training methods.

Rules and Officiating

In addition to the student coaches attending the school, athletic officials will be invited in for a big rules clinic to include a discussion of the football and basketball codes and their latest changes and interpretations.

Mr. H. V. Porter, new National Federation secretary and also secretary of both the National Football and Basketball rules committees, will be present to lead many of the discussions and present the correct interpretations of the rules. The rules clinic should be one of the most important features of the schools this year.

Tuition

The tutition charge for the enire week is only $10.00. The total expenses, including living costs, will not exceed the cost of tuition alone in many schools. Part time tuition rates are $2.50 per day, but no enrollments for less than two days will be accepted.

Living Accommodations

Board and room may be secured at private homes near the college campus at very reasonable rates. Good eating places at low cost are available near the campus and down town.

Moving Pictures

The latest in moving pictures will be available in all sports. New and special films will be shown in football, basketball, baseball, and track and field.

Enrollment will start Sunday afternoon, August 18, at 3 o'clock at the Washburn College Field House. Classes will start at 8:30 Monday morning, the 19th, and will run straight through to Saturday noon.

Last year 200 coaches from several western and midwestern states attended and so many early enrollments have been received already that we expect an attendance fully as large this year.

Coaches who wish to spend a profitable and enjoyable week should plan to be with us during the week beginning August 19.

Everything possible will be done to make the stay of the coaches in Topeka an enjoyable and profitable one. We expect to add a number of features not mentioned in this folder. Send in your name so as to be on the mailing list for future information and later announcements. If you are interested in attending a fine school for coaches at the lowest possible cost, please get in touch with

E. A. THOMAS, *Director,*
409 National Reserve Building,
TOPEKA, KANSAS

THIRD ANNUAL COACHING CLINIC

Atlanta, Georgia - - August 26-30, Inclusive

Sponsored by Georgia Athletic Coaches Association

DATE:

August 26-30. The players will report Friday, August 23, but the work for the coaches will not begin until Monday, August 26.

PLACE:

Atlanta, Georgia. Most of the work will be done at Georgia Tech, home of the "Golden Tornado." Tech's two splendid gymnasiums and athletic fields will be used.

SPORTS:

Football . . . Basketball . . . Track . . . Swimming . . . Athletic Training.

METHODS:

Lectures . . . Moving Pictures . . . Demonstrations . . . Regulation Games in Football and Basketball. Teams composed of all-star high school graduates will be coached during the clinic in preparation for the all-star games at the close of the school. This will produce a live game situation. Coaches will see theories tried in practice.

RECREATION:

Swimming . . . Golf . . . Tennis . . . Shows . . . Dancing . . . Sight Seeing.

TUITION:

Members of Georgia Athletic Coaches Association—$2.00.
Members of Georgia Football Officials Association—$2.00.
Non-members—$10.00.
College coaches not on program—$10.00.
Salesmen—$10.00.
Salesman with display—$20.00.
The above fees will apply regardless of length of attendance.

CLIMAX:

All-Star Basketball Game Thursday Night, August 29. Ten North Georgia All-Star high school graduates, coached by Adolph Rupp, will meet the South Georgia All-Stars, coached by Elmer Lampe.
All-Star Football Game Friday Night, August 30. Twenty-eight North Georgia All-Stars, coached by Frank Thomas, will meet twenty-eight South Georgia All-Stars, coached by Wallace Butts. The game will be played at Grant Field, at 8:30, Atlanta time.

The South's largest gathering of the country's outstanding coaches will help solve your individual problems

Rooms and meals at reasonable prices

Football .. Basketball .. Track .. Swimming .. Training
Lectures .. Pictures .. Demonstrations .. Recreation

ALL-STAR FOOTBALL GAME

Grant Field, August 30th, 8:30 P. M.

The football game will be between two high school all-star teams representing North Georgia and South Georgia. Each squad will be composed of twenty-eight players, a total of fifty-six—the cream of last year's crop of prep stars. Thirty-six Georgia high schools will be represented on these football teams. During the week of the clinic they will be coached by these outstanding mentors, who will explain and demonstrate the methods and tactics that have brought them success.

ALL-STAR BASKETBALL GAME

Georgia Tech Gym, Aug. 29, 8:30 P. M.

The basketball game will be between two high school all-star teams representing North Georgia and South Georgia. Twenty high schools will be represented on these basketball squads, which will be coached during the week of the clinic by Adolph Rupp, of the University of Kentucky, and Elmer Lampe, of the University of Georgia. Coach Rupp's Kentucky Wildcats won the Southeastern Conference tournament this year and Coach Lampe's Georgia Bulldogs were runners-up.

Assisting with Football will be Coach Harold Drew, University of Alabama, and Coach J. B. Whitworth, of the University of Georgia. Coach George Griffin will be assisted in the Track work by Coach W. W. Scheerer, of Edison High School, and Buck Anderson, of Lanier

Coaches Praise N. U. SCHOOL

Thoroughly enjoyed and profited greatly from school last summer. I think you have the ideal setup in Coaching Schools, conducting it in conjunction with the All-Star football practice. I am planning on being with you again this summer.

C. W. Hubbard
University of Denver

No other school in the country offers equal opportunity to study football under the nation's leading coaches and at the same time watch great coaches groom a team for the All Star-Professional game. Certainly the recreation organized for the coach and his family is unexcelled.

Forrest W. England
Moroa, Ill., High School

I have attended 10 other schools and can say that Northwestern's Coaching school was the finest and most beneficial I ever attended. Ideas and procedures have been highly useful in my work. Looking forward to returning.

L. W. Parson
Athletic Director, Hopewell (Va.) H. S.

Conducted just before the start of practice, the Northwestern school is a great help in planning and organizing your program. The opportunity to associate with a large number of coaches from all parts of the country is beneficial to young coaches.

Don Heap
Football Coach, Illinois Wesleyan

My stay at Northwestern was most pleasant and profitable. Informal classes add warmth and hospitality to the atmosphere. School provides fine opportunity to exchange ideas with coaches from different sections of the country. Presence of All-Star squad is a valuable source of information for visiting coaches. Hope to be with you again.

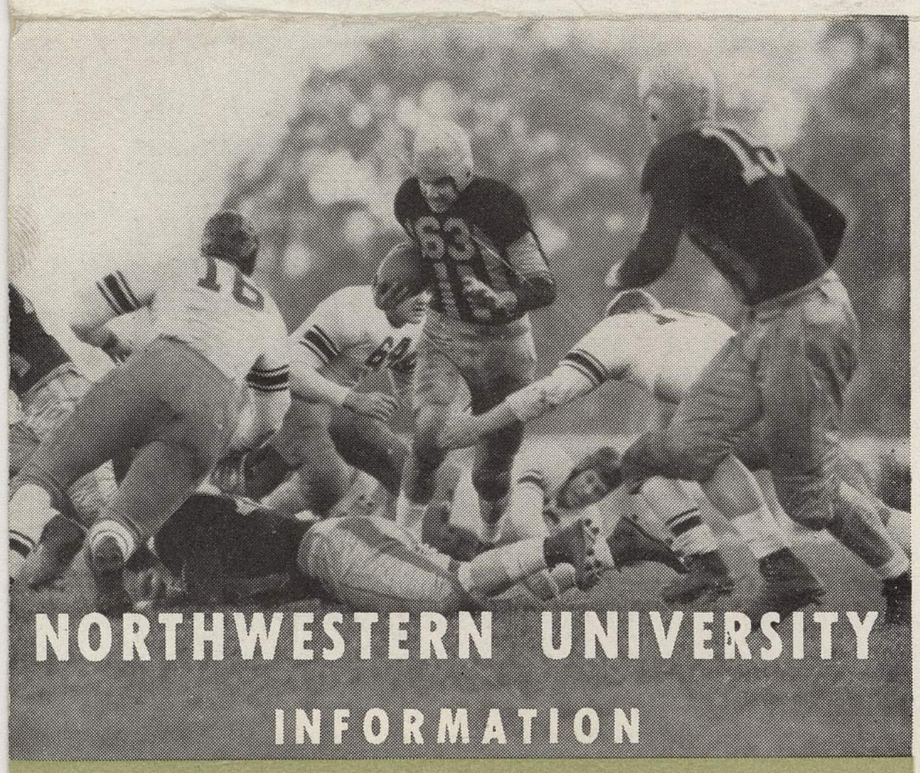
Thomas W. O'Connor
Medford (Mass.) High School

Have attended Northwestern Coaching School for past three years and for the past seven years one of our coaches has been in attendance there. We regard the Northwestern school as TOPS in the nation.

Pete Cawthon
Texas Technological College

Northwestern's 1939 Coaching School spelled "Conference Champions" for my football team. The Waldorf, Ingwersen, Snavely combination was just too much for our opponents. Hope to be with you again.

Reuben S. Turner
Leland College, Baker, La.



NORTHWESTERN UNIVERSITY
INFORMATION

VOL. VIII APRIL 29, 1940 No. 34

Northwestern University Information is published weekly throughout the academic year by Northwestern University, at the Lunt Administration Building, Evanston, Illinois. Entered as second class matter, May 9, 1933, at the post office at Evanston, Illinois, under Act of Congress of August 24, 1912, acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, authorized on June 14, 1918.

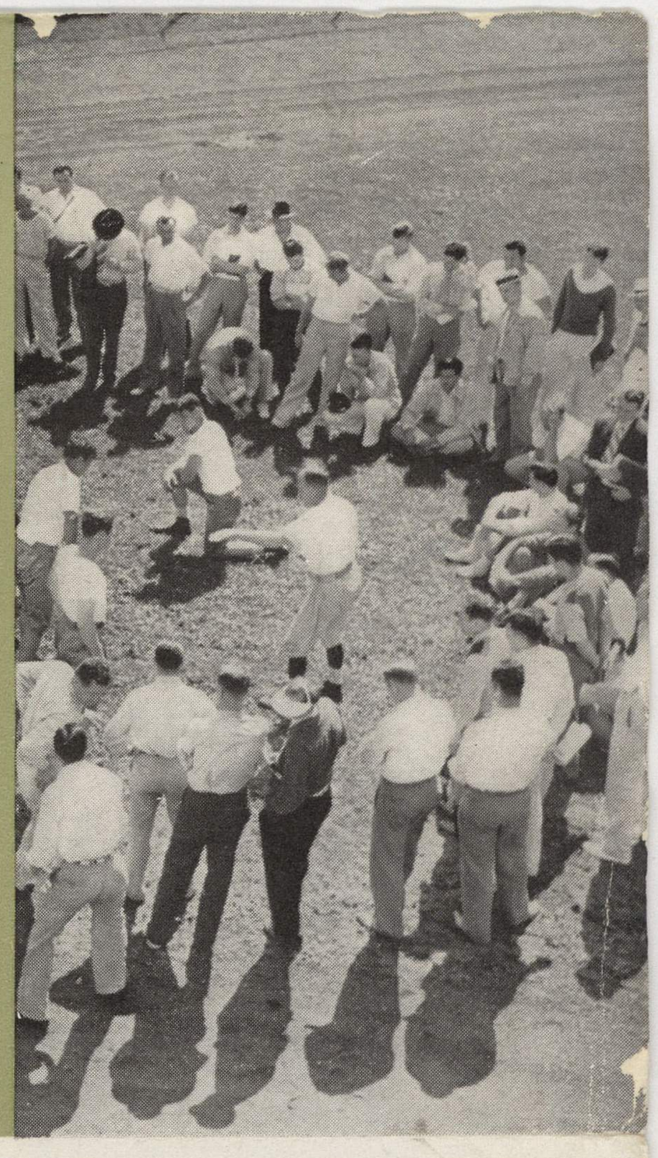
AUGUST 19-31, 1940



COME TO NORTHWESTERN THIS SUMMER

Chicago Skyline

LIVE ON THE LAKE FRONT

Evanston is an ideal place to spend your summer vacation. Cool Lake Michigan breezes make ideal weather for swimming, golf, tennis and a refreshing night's sleep.

Excellent living accommodations are available for coaches and their families. Individual rooms for single coaches are provided in dormitories on the lake front at the special low rate of $5 per week. Attractive quarters are available for coaches and their families, ranging from $7.50 to $10 per week. All rooms are within short walking distance of the University Beach.

ENTERTAINMENT FOR WIVES

Special parties and other entertainment help make the two weeks an enjoyable vacation for wives of coaches. A luncheon, tea party and theater party are highlights of the program outlined for the ladies. Wives and children will enjoy the University Beach, an ideal place to spend the afternoons.

BIG LEAGUE BASEBALL

You will have ample opportunity to see the major league baseball teams in action during your visit to Chicago. Both the Cubs and White Sox parks are conveniently reached from Evanston. Coaches and their families will be the guests of both the White Sox and Cubs management at several games. On the days set aside for baseball, all classes are dismissed and the entire school attends in a body.

Cubs Park

SMOKERS ARE POPULAR

A popular feature of the Northwestern Coaching school is the smoker which many outstanding sport celebrities attend. Among the well known figures who have attended these parties in the past are Gabby Hartnett, Jimmy Dykes, William Harridge, Lew Fonseca, Red Grange, Charlie Grimm and numerous others. You will enjoy meeting and talking with these famous sport celebrities.

GOLF AND TENNIS FACILITIES

Many fine golf courses are within a short distance of Evanston. Special rates for members of the coaching school are provided at a number of these nearby courses. The University tennis courts are located across the street from the dormitories in which the coaches live. These courts are available at a small fee.

Dr. Forrest C. Allen
Director of Physical Education & Recreation
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I am very happy to have your letter of April 25th and note that you will be available to help us in our coaching school which we plan to hold August 18-22. We note that you will be available for this coaching school for a fee of $50.00 a day and your expenses. This we will be very happy to pay. The school will begin on Monday, August 18th, August 19, 20 and 21st. There will be just four daysof the school. $200.00 + Exp.

We would be very happy to have you double up in both basketball and the treatment of athletic injuries. I am very anxious to get out our program and I should like to arrange for a detailed program which I can place in the hands of the coaches around about the 15th of June. Therefore, I should be very happy to hear from you in regard to the specific subjects that you desire to discuss, both in the matter of the prevention and care of injuries and also in the matter of the basketball school. I am trying very hard to arrange for you and Mr. Iba to be present since you gentlemen did such a splendid job when you appeared together at the Kansas coaching school last year when I was a very interested visitor. This might give you some thought as to the type of subject in the field of basketball which you would like to discuss. If you could, therefore, send me a letter verifying the fact that you will accept our invitation and indicate the specific subject that you might wish to discuss with our coaches. From all indicatins we will have a very large group as our boys here seem to be very enthusiastic over the idea of securing you for this school. I have given it some publicity in the paper with the idea that we were endeavoring to make arrangements for your appearance and we have had many very fine responses from that publicity.

I am also arranging with Clark ~~Shauntesy~~ Shaughnessy to be present for football and also Bennie Bierman. Both of them have indicated their willingness to be present, so I think you can see that we will have quite a fine array

LTQ:MLS

May 5th, 1941

Mr. Lyle T. Quinn, Manager,
Iowa High School Athletic Association
1132 Des Moines Building
Des Moines, Iowa

Dear Mr. Quinn:

Thank you for your letter of May 2nd. I'm not sure that I made it perfectly clear to you that my expenses include both local and traveling expenses. This has always been the arrangement that I have ad with the other coaching schools. However, in Topeka, I drove home most every evening and did not charge them hotel expenses. My expenses in your case will be from Lawrence, Kansas, to your coaching location.

I am just back from an extensive speaking tour, and since I have a baseball game this afternoon and spring basketball practice the first three nights of this week at 7:30 o'clock, I shall forego the discription of my classes and merely state that if it is agreeable for you to pay these expenses, I will be happy to be with you.

I am very glad that you will have Clark Shaughnessy and Bernie Bierman. I have been in a number of coaching schools with these gentlemen before and they are great teachers, especially Shaugnessy. When Shaugnessy was coaching at Loyola University at New Orleans, back in 1925, I think, I had some coaching schools with him, and I think he is "tops".

Please confirm this letter regarding expenses and I will reply immediately giving you the discription of classes. I assure you I will give you 100% of my efforts in making this coaching school the best ever.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.

June 5th, 1941

Mr. Lyle T. Quinn
Iowa High School Athletic Association
Des Moines, Iowa

Dear Mr. Quinn:

This will acknowledge receipt of your letters of the 27th and 29th ultimo, as well as your telegram to me as of June 3rd. The gloss was sent to you by air mail. I trust that it arrived in time. I was glad to receive your letter of May 27th which takes care of the details of expenses very satisfactorily.

Your May 29th letter, in which you inclose a program of your coaching school from Monday, August 18th through August 21st, I beg to state that I think it is very fine. You should have a splendid coaching set-up under this arrangement. I shall be happy to accept the assignment to discuss the subject of highschool baseball coaching as you have outlined in your schedule. It will be entirely satisfactory for me to double-up in basketball and baseball.

I shall be happy to receive copies of the printed program as soon as you have time out because here this summer I receive a great many inquiries from coaches over the country asking about my location of coaching schools for the summer. I shall be happy to mail them copies of this printed program.

Sincerely,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.

Dr. Forrest C. Allen
Director of Athletics
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I am enclosing a ruff draft of the program for our coaching school. I should be very happy to have you make any suggestions relative to this program, and particularly in regard to the subject and the phase of the subject that you desire to discuss.

You will note that I have indicated that on Wednesday at 2:45 to 4:30 p.m. that you will discuss the subject of high school baseball coaching. We have considerable interest in high school baseball in Iowa. There are approximately 650 high schools engaging in interscholastic baseball activities. We have a series of baseball tournaments both spring and fall and determine state champions in both of these tournaments.

You will note also that I have no one else scheduled for baseball. You had suggested previously that you would be glad to double up with the subject of basketball and athletic injuries. I would much prefer that you double up in basketball and baseball.

Please let me hear from you as soon as possible with whatever suggestions you have for this program as I am quite anxious to get it printed and mailed to our coaches and officials as quickly as possible.

Very truly yours,

IOWA HIGH SCHOOL ATHLETIC ASS'N.

Lyle T. Quinn, Manager

PROGRAM

Monday, August 18, 1941

7:15 A.M. to 8:45 A.M. "Registration and assignment to quarters.

8:45 A.M. to 9:00 A.M. General Assembly. An explanation of the method of procedure and a clarification of the general plan of procedure will be made at this time.

FIRST SESSION

CHASE LODGE

9:00 A.M. to 10:10 A.M. #Football Fundamentals" by Bernie Bierman, Head Football Coach, University of Minnesota, Minneapolis, Minn.

THE COMPANY WILL APPRECIATE SUGGESTIONS FROM ITS PATRONS CONCERNING ITS SERVICE

May 23rd, 1941

Mr. Lyle T. Quinn
Manager
Iowa High School Athletic Association
Des Moines, Iowa

Dear Mr. Quinn:

I believe that it would be somewhat easier for me if you would submit a schedule of your coaching school then I could see your plans and would be happy to make any suggestions that I think would be helpful.

Won't you kindly send me a rough draft and I will respond immediately.

I did not answer communication that I wrote you recently. I thought it best that we have no misunderstanding concerning my expenses from Lawrence, Kansas, to your place and rather than have expenses when I get on the job.

Won't you answer this angle?

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.

University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

We are arranging our program for the Coaching School which we are having this summer and I should like very much to have a picture of you in this program. I am wondering, therefore, if you have a cut available that you would be kind enough to send to me so that we can use it in our program.

If you have any suggestions that you would care to make in regard to the method of organizing or planning the Coaching School I would be very happy to hear from you. Your years of experience at these schools would certainly be of great value to us in organizing our program schedule. Please, therefore, feel free to make any suggestions that you care to about this school.

Your s very truly,

Lyle T. Quinn

Mr. Lyle T. Quinn, Manager
I.H.S.A.A.
1132 Des Moines Bldg.
Des Moines, Iowa

Dear Mr. Quinn:

I am just leaving for Ames, Iowa where we play baseball on Friday and Saturday with Iowa State.

I would be very happy to assist you in your coaching school but I am sure that you can appreciate the fact that after we labor during the academic year and then during the summer session for eight weeks we are hardly in the mood to work for expenses only. As much as I like to serve the public I do not feel that it is fair to myself or anyone else to perform a service of this kind gratuitously. A laborer is worthy of his hire, I am sure you agree with that.

I do not know whom you have in mind for your course in the care and treatment of athletic injuries. I could very nicely double up in basketball and in the care and treatment of athletic injuries and would guarantee to turn them away very well satisfied, so far as the athletic injuries are concerned.

The date of August 18 to the 22nd is open for me, but I do not feel that I could come for any less than I served the Kansas High School people. I got $50.00 a day and expenses.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

April 21, 1941

Dr. F. C. "Phog" Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

Perhaps you will recall that I wrote to you late last winter in regard to your participating in our coaching and officials clinic that was held in Iowa during the Christmas holidays. Because of the lateness of the date and the fact that it interferred with the coaches meeting in New York City you found it impossible to be with us at that time.

We are now making plans for a coaching school and officials clinic to be held here in Iowa from August 18 to the 22, 1941. This coaching school will be similar to the one conducted by the Kansas Association. However, one of the outstanding differences between the two schools will be that our school here in Iowa is going to be held at a modern Y.M.C.A. Camp located on the Des Moines river 50 miles north of Des Moines. This camp has all the modern facilities including a large outdoor artificial pool, tennis, badminton and handball and various other types of courts together with a large athletic field. We have secured this camp for the four day period mentioned above and are planning to offer a course of instruction to our coaches and officials in all of the major sports. In addition to that we plan to place a great deal of emphasis on the prevention and care of injuries. It is our desire to charge a registration fee to our officials of about $7.00. This $7.00 will cover the four day period and will also include in addition to the registration in the school meals and lodging for the entire period.

We will be very happy to have you with us during that period. We are expecting to have somewhere in the neighborhood of 200 high school coaches in attendance and we would like to have you proceed along about the same lines that you did at the Kansas School last summer. I would, therefore, be very happy to receive an answer to the following questions from

you immediately.

~~When~~ Would it be possible for you to attend our coaching school and to give instruction in the field of basketball?

Would you be willing to come to our school for your expenses only?

If you answer No. 2 in the negative, what would be your fee for attending our school?

From reading the information above, you will no doubt come to the conclusion that we are trying to operate the school as economically as possible. The point is that this is our first year in attempting a program of this kind and we are extremely anxious that it be successful so that we can have some justification for making it an annual affair. The association is willing, I am sure, to spend some money in sponsoring the program but for the main part, we would like to have it be self supporting.

It will, therefore, be necessary to charge a registration fee sufficiently high enough to pay for at least a portion of the expenses.

Our coaches here in Iowa are very anxious to have the opportunity of attending your lectures in the field of basketball.

I hope, therefore, that it will be possible for you to be with us August 18 to the 22nd.

I am enclosing a self addressed stamped envelope for your convenience in replying to my questions.

Very truly yours,

Lyle T. Quinn
Manager

April 22, 1941

Mr. Lyle T. Quinn
Manager, Iowa High School Athletic Assn.
1132 Des Moines Bldg.
Des Moines, Iowa

Dear Mr. Quinn:

Your letter of April 21 regarding your coaching school and officials clinic, which is to be held from August 18 to the 22, 1941, has been received.

Dr. Allen is out of town at the present time, but as soon as he returns your letter will be given immediate attention.

Sincerely yours,

Secretary to Dr. Forrest C. Allen
