Mr. Lyle T. Quinn
Iowa High School Athletic Association
Des Moines, Iowa

Dear Mr. Quinn:

This will acknowledge receipt of your letters of the 27th and 29th ultimo, as well as your telegram to me as of June 3rd. The glass was sent to you by air mail. I trust that it arrived in time. I was glad to receive your letter of May 27th which takes care of the details of expenses very satisfactorily.

Your May 29th letter, in which you inclose a program of your coaching school from Monday, August 18th through August 21st, I beg to state that I think it is very fine. You should have a splendid coaching set-up under this arrangement. I shall be happy to accept the assignment to discuss the subject of highschool baseball coaching as you have outlined in your schedule. It will be entirely satisfactory for me to double-up in basketball and baseball.

I shall be happy to receive copies of the printed program as soon as you have time out because here this summer I receive a great many inquiries from coaches over the country asking about my location of coaching schools for the summer. I shall be happy to mail them copies of this printed program.

Sincerely,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.
