Dear Dr. Allen:

I am enclosing a ruff draft of the program for our coaching school. I should be very happy to have you make any suggestions relative to this program, and particularly in regard to the subject and the phase of the subject that you desire to discuss.

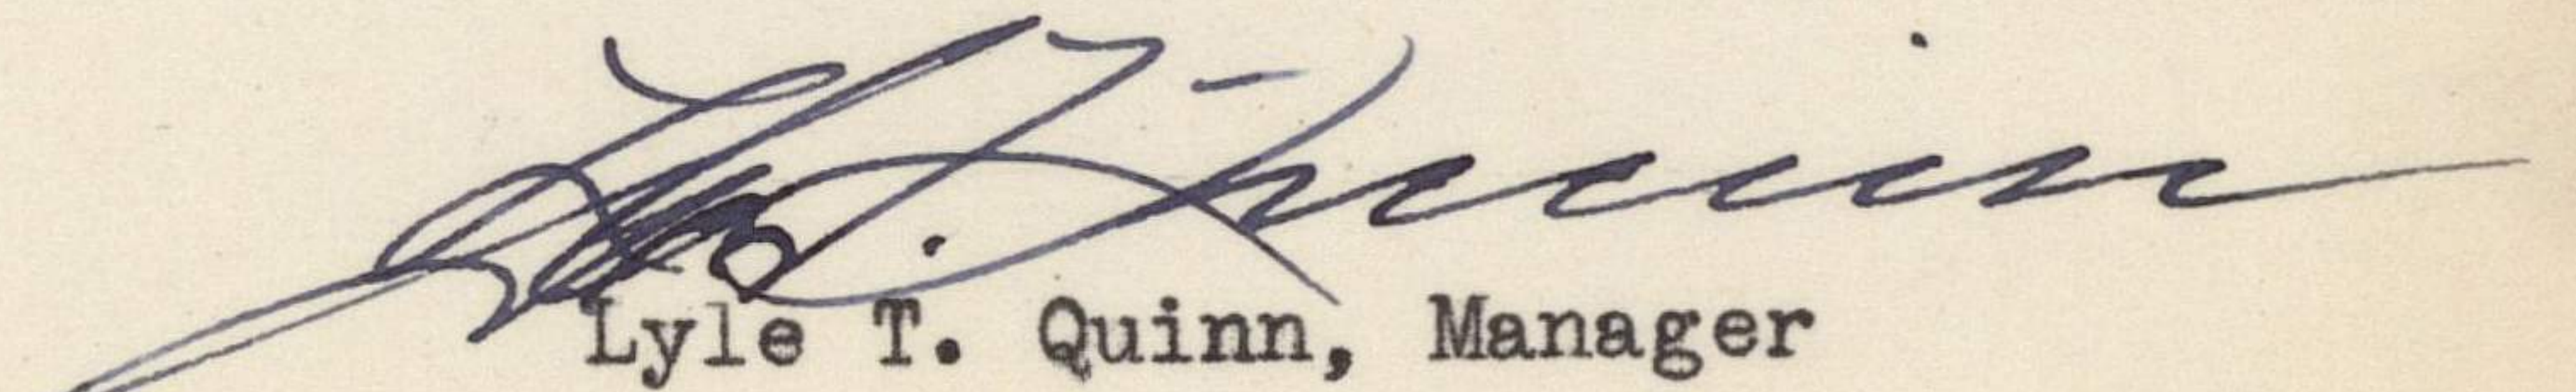

You will note that I have indicated that on Wednesday at 2:45 to 4:30 p.m. that you will discuss the subject of high school baseball coaching. We have considerable interest in high school baseball in Iowa. There are approximately 650 high schools engaging in interscholastic baseball activities. We have a series of baseball tournaments both spring and fall and determine state champions in both of these tournaments.

You will note also that I have no one else scheduled for baseball. You had suggested previously that you would be glad to double up with the subject of basketball and athletic injuries. I would much prefer that you double up in basketball and baseball.

Please let me hear from you as soon as possible with whatever suggestions you have for this program as I am quite anxious to get it printed and mailed to our coaches and officials as quickly as possible.

Very truly yours,

IOWA HIGH SCHOOL ATHLETIC ASS'N.

Lyle T. Quinn, Manager
