Dear Sir:

I am very sorry that I could not attend your coaching school this summer. I have to return to school here this summer and get some more work in Commerce.

I could not get one of your books, "Better Basketball," here. I will send to you or the Mc. Graw-Hill Book Company and get one this fall after school starts.

I am very sorry I could not attend this summer. Thanking you very much, I know I would have enjoyed the courses and benefited very much from them.

Sincerely yours
Ralph Baker
