Mr. Pearce Butterfield,  
1312 Rhode Island St.,  
Lawrence, Kansas.

Dear Pearce:

The enclosed billfold was brought to my office by someone last summer. We made numerous attempts to call you by telephone but were never able to reach you. When school started the billfold was covered up in the mass of detail on our desk and we failed to get in touch with you. I thought there might be something in it of value to you.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
