Dear Mr. Allen:

In regard to your letter of May 5th, in which you stated that you had set June 13th to 18th inclusive for your coaching school.

Those dates fit in with my plans perfectly. I will plan on being in Lawerence on June 11th or 12 th, and will get in touch with you then. If you have more information for me, I will be here until June 6th.

Thank you for your interest and cooperation.

Very sincerely yours,

Carl Rhoda
