Dr. Forrest Allen--page 2

We have had some of the same men attend each of the four previous schools, which speaks well for the whole program.

I would certainly appreciate hearing from you and knowing your attitude on this whole matter, and if there is a likelihood of our getting together, I will keep you informed on the line up of our staff and other details of interest to you.

With personal greetings, I am

Sincerely yours,

J. M. Saunderson  
Athletic Director
