Dear Dr. Allen:-

We are to conduct a ten-day coaching school here at Clarksville, Arkansas from June 10 to 21.

I am wondering if you would be available as an instructor in this school from June 17 to 21 inclusive for a course on the science of coaching basketball.

If you would be available for that period, what figure would you require for your services ?

If you would be available, I would greatly appreciate an very early reply so we might go about advertising you as a member of our faculty.

Yours very truly,

Jesse A. Pardue  
Manager of Athletics
