OFFICE OF DIRECTOR OF ATHLETICS

Dr. Forrest C. Allen  
Director of Athletics  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

At the present time I am making tentative plans for a coaching school at Howe for the summer of 1935. I am writing to different college coaches whom we would like to have on the staff, and I would like to know if you would consider coming here and what you would want in the way of salary.

I have already written to Noble Kizer and he has signified a willingness to come and thinks that we have a good set-up here for a school.

Howe is a military school for boys and we have barracks, mess hall and all of the facilities to board and room coaches here on the campus. Our gymnasium is new and would be an excellent place for lectures and demonstrations.

Under separate cover I am sending you a catalogue of the school which should give you some idea of our plant.

I will be in Columbus at North High's school June 18th and can talk with you further about this at that time, if you are interested.

Thanking you for any consideration you may give this matter, I am

Very truly yours,
