Dr. F. C. Allen
Department of Physical Education
University of Kansas

Dear Dr. Allen:

James Johnston, whose name was turned in as having 9 absences in 11:30 hour class, gave me the enclosed hospital excuse. He is having his foot treated and is not yet able to come to Physical Conditioning. Dr. Lins is treating him each day.

Robert Duboc, who had been out for football, began taking track as soon as football practice was over. Mr. Kanehl knows he's in track.

Robert Schwanzle has been in hospital with bronchitis, said he would bring hospital excuse to you.

J. Allen Reese, Chairman
Adm. Committee on Physical Conditioning
