Dear Charlie:

I called your office today to inquire about our application for priority assistance on our purchase of a new chlorinator for our swimming pool, and upon learning that you were out of town, I talked to your Mr. Bingham. I appreciated his courtesy very much, and he promised to call me about the application although he was of the opinion that it is in Mr. Neal's file.

We are in somewhat straitened circumstances regarding our chlorinator, and trust that the order may go through very soon.

With kindest regards, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
