CASE NO.

11. Have you filed an appeal for permission to complete the product in which you will use the item(s) requested. ☐ Yes ☐ No

If YES, UNDER WHAT ORDER?

L

M

12. Explain why it is necessary to make this purchase at the present time.

To replace old chlorinator which has been in service over seventeen years. It would necessitate expenditure of several hundred dollars to put unit in operating condition, and it would still be obsolete equipment. Swimming pool is operating with a very heavy load of Army and Navy trainees in their required physical training program.
