Kansas City, Mo.

Dear Mr. Livingston:

We have received the two pressure gauges and the one vacuum and pressure gauge.

Mr. Branchfield told our Mr. Eberhart where to provide the tappings for the two pressure gauges, and he has installed those. But from our limited knowledge we do not know where this 30-30 vacuum and pressure gauge should be installed.

I will appreciate hearing from you at your early convenience.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
