

in fair condition. Not even I have any bruises & that is unusual; for I'm anything but a professional bicycle rider.

I certainly enjoyed the football game Oct 7. I'm hoping to see the K.U. - K.S. game. It's during teachers meeting & I'm sure I'm going to Sapeka for the meeting & hope to get to Lawrence in time for the game.

Must close. Give my regards to phys. ed. force.

truly yours
