Re: Purchase Order 3813

Gentlemen:

We acknowledge with thanks the above purchase order calling for bushings, strainers, filter sand and filter gravel.

We understand that you have a Priority covering maintenance and if this is true, please be kind enough and extend same to us in order that we may expedite shipment, especially the bushings.

Incidentally, your purchase order calls for brass bushings, however, we just learned from the supplier that it is impossible to secure bushings made of brass. We are therefore having them furnished galvanized, which will be acceptable.

Very truly yours,

E. W. BACHARACH & COMPANY
