Dear Sir:

We are in receipt today of the Priority Certification covering the bushings, strainers, filter gravel and filter sand. This certification will of course cover any other material which you purchase. However, in the event you desire to go ahead and furnish a complete job in accordance with our letter of recommendation, we would appreciate very much receiving a formal order for same as soon as possible, as you know doubt know, it will take considerable time to purchase the pump and motor. *sent*

Very truly yours,

E. W. BACHARACH & COMPANY
