To All Purchasers of Chlorine:

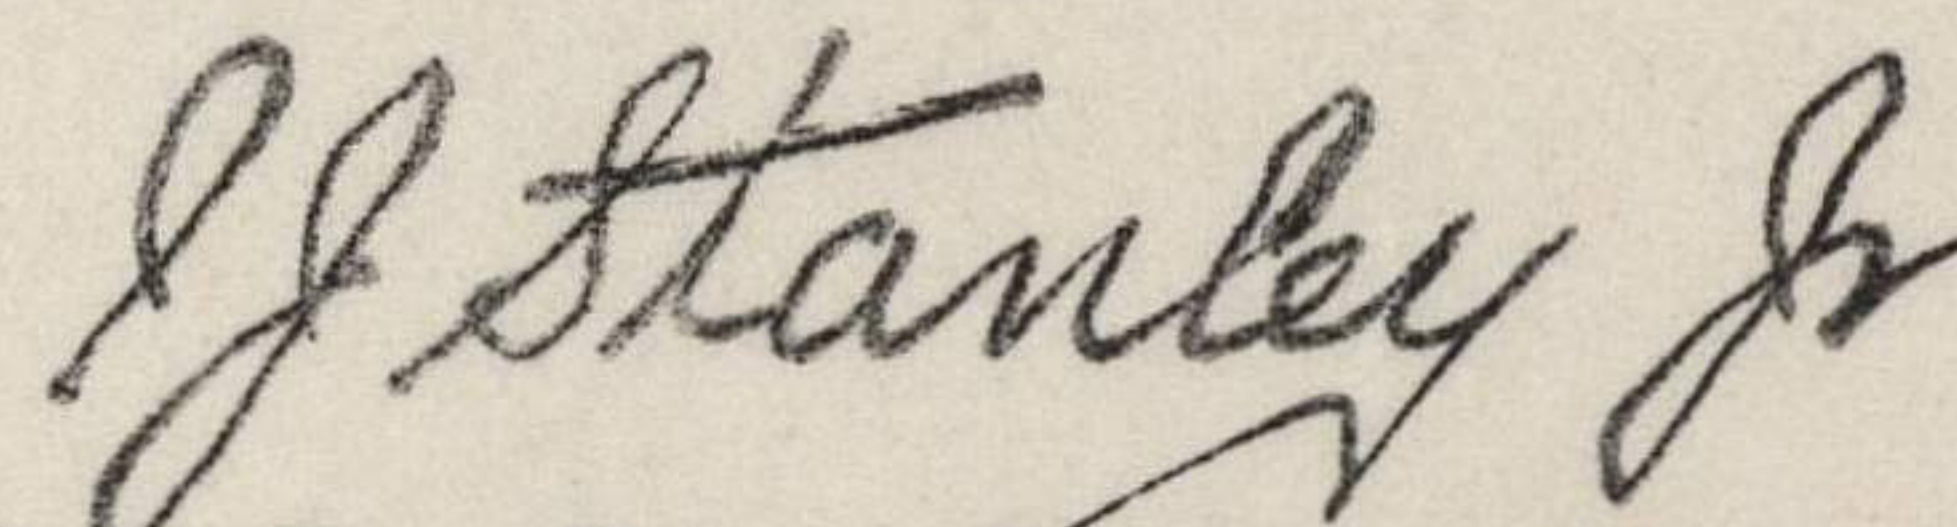

You will find attached copy of a letter which we have just received from the War Production Board, requesting that all shipments of Chlorine made on or after April 1 be shipped against a three-months' allocation.

It is, therefore, necessary that you send in your order immediately to cover your requirements for the months of April, May, and June. In the future, all orders must be placed on a quarterly instead of monthly basis. If you have already submitted your order for April, please forward a revised order to cover the specified period.

It is quite possible that you will not receive this information in time to file application, so we are estimating your requirements in order to forward promptly our report to the War Production Board. Upon receipt of your revised order covering the quarter, we shall amend our request accordingly.

Your promptness in forwarding your order for the quarter will indeed be appreciated.

Cordially yours

I. J. Stanley, Jr.  
Assistant Manager of Sales
