

February 6, 1942.

Barada & Page,  
Guinotte & Michigan Avenues,  
Kansas City, Missouri.

Dear Sirs:

The chlorinator here in Robinson Gymnasium  
which serves the swimming pool is in need of some repair.  
Would it be possible for you to send a service man to  
inspect it within the next few days?

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
