"Thog" Allen,
Laurence Kans.

Dear Sir: Would you advise me
where I might be able to get a copy of the
book, I think the title is "My Basket Ball Book"
written by Allen. I have a son who is very
much interested in Basket Ball and he
would like to get all the dope he can on
Basket Ball. Please send any thing you might
have C.O.D.

Thanks

Yours Truly
Leland C. Fetrow
