

Dr. F. C. Allen

Dear Phog:

It seems that I failed you on the cartoonist business. The only suitable person I could find was tied up with previous commitments and an overload of school work. I could not offer to do it myself because of my very complicated affairs at the moment.

I'm sorry - I hope no great harm is done.

Your secretary mentioned a design for a Red Cross banner but I received no details except that it is to reach across Mass. St. I From whom may I get further details?

Sincerely

Bernard Frazier
