Dr. F. C. Allen
Director, Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

With the start of basketball season so close at hand, here I am to annoy you with correspondence.

In spite of gasoline rationing, I hope to see a few games in Lawrence as your appearances here in Kansas City this season, will not be enough to satisfy me. So, will you please send your schedule.

I wish to congratulate you on the excellent job you are doing for the armed forces in your Physical Education Department, but sincerely hope that it does not take any of your time from the varsity basketball squad. You see, I am a little selfish in this.

I am subscribing to the Lawrence Journal World as I believe it may give a little more inside basketball news than the Kansas City paper. If you believe that the Kansan has still more basketball news I will subscribe to it as I did the last year my daughter was in school.

Very best regards and wishing the team a successful season,

Sincerely,

W. W. Fuller
