Lawrence, Kansas

Dear Dr. Allen:

Just want to be one of the many to congratulate you and the K. U. Basketball team for winning another Big 6 championship. Also want to congratulate you for being acclaimed the No. 1 basketball coach in the country. Naturally the latter is no surprise to Kansans everywhere, but it does make us feel good to see Kansas leading the nation with a No. 1 basketball coach and team — for the other 47 states to envy.

Fraternally,

John M. J. Gerald
