SPECIAL

NOTICE :-

ANNUAL MEETING ON FRIDAY, MARCH 19th.

SEE BELOW.

K.U. Alumni in the area will hold their annual meeting Friday evening, March 19th, at 6:30 p.m. in the rooms of the RECESS CLUB, 11th floor of the Fisher Building. Permission for us to hold our meeting in this beautiful and exclusive private club has been secured for us by Leo FitzPatrick, '17, a club member. A \$2.25 course dinner will be served. This price includes tax and service charge and there are no other deductions. Plan to be on hand early for a visit with classmates before the dinner.

Feature of the evening will be a talk by Colonel George E. Strong of the U. S. Army Air Forces, director of plant protection for the fourteen states in this area for the War Department. See page four for a brief biography of Colonel Strong who was born in Blue Rapids, Kansas and was a member of the class of '19. He will have some interesting things to tell us.

We will also have a sound film entitled "Far Above the Golden Valley" which has been made at K. U. and which shows four students and their careers thru college. This film, which runs for 25 minutes, contains a good deal of humor and portrays familiar scenes. In addition we will have a recorded greeting from Chancellor Malott and other messages from K. U. for you and we will sing the old songs together again.

Your wife or husband may not be a K. U. Alumnus but bring her or him to enjoy this meeting with you. Bring your children too who are old enough to be interested in college to see the motion pictures of the school you attended, meet your classmates and hear the K. U. songs and the old ROCK CHALK. You can be assured of a grand time.

PLEASE MAKE RESERVATIONS ON THE ENCLOSED POST CARD AND MAIL IT AT ONCE. As this dinner is being served in a private club it is necessary to know at once how many will attend. If you cannot come mail the card with a word for us anyway. Please pay our treasurer pro-tem for the dinner as soon as you check your coat so that we can sit down promptly at seven. At the same time we will pin a card on you with your name and class.

NOTE TO ANN ARBOR ALUMNI.- Ann Arbor has its own Alumni Association and will have its own annual meeting, but Ann Arbor alumni are invited to attend our Detroit meeting too if they can get down. We have sent a copy of these bulletins to our distinguished class mates in Ann Arbor believing that they might contain some items of interest to them.

JACK LAFFER, c'39, your Association Treasurer was inducted into the army only a few weeks ago. Jack's permanent address will be 625 1st Nat'l Bank Bldg., Wichita, Kansas, until the war is over when you can expect to hear him again over WJR.
