Dear Dr. Allen:

Thank you very much for your letter to Mr Sidrick. I'll let you know the results as soon as I hear from him. My superintendent says "Don't worry - we'll take care of it." However, it's a bit embarrassing when people ask what kind of a certificate I have and I have to answer "None, as yet."

I visited the Camp Fri. nite. 50 fifth graders from Decatur are really enjoying camp life. Our committee meets Mon. to make plans for our first group to go after three more weeks.

School is moving along fine. I have nearly 500 girls - meet them only once a week - classes range from 13 to 54. Imagine 54 in a small gym. Thanks for a big playground & here's hoping for continuous warm weather for quite some time.

Best Wishes to the K.U. Phys. Eds. and hopefully awaiting the first edition of Sasnak news, I am,

Sincerely
