Dear Coach Allen:

As Recreation Officer of this Army Replacement Training Center, it has become my duty to organize two basketball teams from this camp, which will be good enough to compete against the Professional Teams in the Denver, Colorado League.

The past few years I have had no occasion whatsoever to be associated with basketball, consequently I am not up-to date with the present methods of coaching for basketball.

I have admired you, and your style of basketball for several years; and would greatly appreciate any assistance you might see fit to render in the way of plays, diagrams and coaching sequences.

Thanking you very kindly,

Sam Francis
