Mr. John W. Bunn
Dean of Men
Stanford University
Stanford University, California

Dear John:

I am getting in touch with Arnold Gilbert at once, and I am sure he will appreciate your very generous offer to secure a ticket for him.

I thank you not only in his behalf but also in our behalf for taking the time from your busy existence.

My kindest regards to your good family in which we wish you the best of the Yuletide Blessings.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
