Mr. John W. Bunn  
Dean of Men  
Stanford University  
California

Dear John:

Arnold Gilbert, one of our graduates in the School of Business and a senior in the School of Law this year, is very anxious indeed to get a ticket to the Rose Bowl game.

Since Nebraska has been invited as a participating member from this section, doubtless we may be able to apply at Lincoln, but I am asking Arnold to write you so that you can give him definite information regarding the procurement of this ticket. I will appreciate very much any kindness and courtesy that you can show to Arnold.

With all good wishes to your family and you,  
I am,

Sincerely yours,

Director of Physical Education and Recreation
