Mr. E. S. Foetz
Department of Physical Education
Kansas School for the Deaf
Olathe, Kansas

Dear Mr. Foetz:

Answering your kind letter of the 4th instant regarding the correspondence course in basketball, I assure you that I would be very happy to have you take the course as offered by me from the Correspondence Study Bureau of the University of Kansas. I called Miss Kenney, who is the Secretary of the Bureau, and she states that she will send you a catalog at once.

We use my text, Better Basketball, for this course. This book contains 163 action photographs and 86 diagrams of plays, together with information on training and conditioning, treatment of athletic injuries, bandaging, emergencies, and so forth.

The text sells for \$4.00. We prepay the postage. I would be glad to autograph one for you if you do not have a copy. You can get the text, of course, from any book shop or from the McGraw-Hill Company for \$4.00.

If I can serve you in any way please call on me.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
