Dear "Doc":

Thank you for your letter of the 18th. With respect to the Rose Bowl tickets, at this early date you should write to the Tournament of Roses Committee, Pasadena, California. I am not sure whether they will accept applications for tickets at this time, but at least you can get the full information.

It is possible for me to buy a ticket or two through an agreement set up with the Conference schools here, so that if you cannot work out satisfactory arrangements with the Tournament of Roses Committee, let me know at the end of the season.

We enjoyed having Bert with us this summer and feel rather complimented that he chose to come back here for his advanced work. You are going to have to do something to his back, however, or he is going to be an old man prematurely.

With best wishes to all, I am

Cordially yours,

John W. Bunn,
Dean of Men.
