Mr. John W. Bunn  
Dean of Men  
Stanford University  
California

Dear John:

Thank you for your letter of the 27th instant giving me the information concerning the procurement of tickets for the Rose Bowl Game for some of my friends.

In this morning's mail I received a letter from A.E. Crandall, owner of the Crandall Drug Store, Jewell, Kansas, regarding tickets for the Rose Bowl Game. I wrote him giving him the benefit of the information concerning the Rose Bowl tickets that you gave me. I even went so far as to tell him that if he knew you he should write you.

I have no desire to pass the buck or to make added work for some of my friends, but I am very sure that Crandall does know you and I thought perhaps you might enjoy doing him a favor, if and when the time arises. I also suggested that he write to the Tournament of Roses Committee, Pasadena, California.

More than anything else I want to acknowledge receipt of your letter and tell you that Burt's back is very much better. We are trying to do something about it but he is so confident full of energy that his back suffers.

Yes, I do think that you people should feel complimented because he looked over the field very carefully before he chose Stanford as a place for his advanced work. We are very pleased with him because he is doing a great job.

With all good wishes to you and yours, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
