Dear Paul:

I appreciate Santa's thoughtfulness very much in sending me a half dozen lovely golf balls. Every time I hit one in the fairway I will think of you, and every time I hit one in the rough I will think of how poorly I play.

I would be interested to know how Mrs. Fairhurst is getting along. I trust that she and the Fairhurst family will enjoy the blessings of the Yuletide and a prosperous New Year.

With thanks, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
